

Who We Are

Welcome to the Trials to Triumph Foundation (T3), a faith-based 501(c)(3) public charity dedicated to helping Schuylkill County residents struggling with health issues.

T3's recipients must be facing financial hardship due to medical issues or unable to undergo expensive and necessary medical procedures due to costs. T3 will temporarily help pay a family's core bills as needed, which could include mortgage/rent, emergency housing, hotels (as needed), vehicle payments, car services, car insurance, childcare, food, utilities, and/or gas.

Differentiators

An unprecedented 200% of all donations go directly to T3's recipients*!

The Trials to Triumph Foundation (T3) takes a unique approach. While most charities aim to meet a single need for many families—such as providing food or shelter—T3 offers temporary financial support across multiple fundamental needs.

T3'S OVERALL PROCESS WILL HELP TO INCREASE CHURCH ATTENDANCE AND ENCOURAGE A CULTURE OF COMMUNITY in the local churches. T3's recipients will receive their financial support through local churches and charities.

T3 IS BOTH A FINANCIAL AND COMMUNITY RESOURCE.

- T3 helps families facing medical catastrophe by temporarily helping to meet their core financial needs.
- T3 will host community events to help foster fellowship throughout the county.

T3 OFFERS TAILORED ASSISTANCE TO MEET EACH FAMILY'S INDIVIDUAL NEEDS.
